

GOLF LESSONS

HIGHLAND PARK GOLF LEARNING CENTER

Group Lessons

Our progressive golf programs are uniquely structured to help students of all ages and skill levels master all facets of the game resulting in a better experience and performance on the course.

Many of these sessions are broken up into 2 or 3 levels.

Level 1 - For beginners who have never played or need a refresher on the fundamentals of the game, i.e. Grip, stance, posture, alignment.

Level 2 - For golfers that have completed Level 1 or are players that need to fine tune their golf swing.
